HELP setting up campus in Shah Alam

HELP International Corp Bhd (HIC), through wholly-owned subsidiary Help University College Sdn Bhd, is buying 23.29 acres in Section U4 of Shah Alam, Selangor, to set up a university campus.

It is paying RM20.29 million or RM20psf for the leasehold land to Juta Permai (M) Sdn Bhd, developer of the

190.1-acre Subang Delima township, within which the campus will be located.

The acquisition is to help second board-listed HIC fulfil key conditions to obtain university status from the Ministry of Higher Education.

The Help University College Campus will accommodate about 15,000 students when completed.
